

**Detailed Single Year Tables**  
**Category of Change: Level of Monthly Benefits**

**Proposed Provision: Beginning in 2014, reconfigure the special minimum benefit: (a) A year of coverage is defined as a year in which either 20 percent of the old law maximum is earned or a child is in care. Childcare years are granted to parents who have a child under 6, with a limit of 8 such years. (b) At implementation, set the PIA for 30 years of coverage equal to 133 percent of the poverty level. For those with under 30 years of coverage, the PIA per year of coverage over 19 is 12.09 percent of poverty. (c) Use the 2011 Aged Federal poverty level, increased by the SSA average wage index to 2 years prior to benefit eligibility. (d) Scale work requirements for disabled workers, based on the number of years of non-disabled potential work.**
