ALJ Disposition Data FY 2011 (For Reporting Purposes: 09/25/2010 Through 11/26/2010)

A listing of hearings completion data by name of individual administrative law judges (ALJ) for all ALJs in ODAR. The data includes hearing office name, total dispositions, decisions, allowances, denials and fully favorable or partially favorable decisions.

NOTE: This report contains raw data from SSA's Case Processing and Management System without regard to the amount of time Administrative Law Judges' devote to actual adjudication. In other words, factors which would affect the number of dispositions (e.g., management/administrative responsibilities, special assignments, part-time status, union representational duties, retirements, deaths or extended leave, etc.) have not been taken into account.

Disclaimer

These data are being made publicly available for research purposes. Any findings and conclusions derived from analyses of these data are attributable to the researcher(s) and do not reflect those of the Social Security Administration.

ALJ statistics are provided by hearing office. ALJs may work in multiple hearing offices.
